## CONCEAL REVEAL

### Independent Artist Research

AO1 – Researching – Choose an Artist and create a research page & SEMI analysis about their work and how you are interested by it.

AO2 – Explore and experiment with the artists photographic techniques by taking your own photos and re-creating the artists work style. Screenshot your process.

AO3 – Record your ideas by skilfully recording your photographs, presenting your experiments and their outcomes through contact sheets, annotation and mind maps.

A04 – Develop unique and inspired final outcomes that link with your ideas and show a journey of development.
